- We are looking for two effective, ambitious and energetic senior leaders to become Principal of the 11-16 Academy (960 students) and Principal of the Academy Post 16 Centre (860 students).
- The Academy Sponsor is Landau Forte Charitable Trust, which runs the highly successful Landau Forte College, (the Academy) in Derby, recently judged Outstanding by Ofsted.
- Working together with the Chief Executive, each of these roles provides a superb opportunity to shape the new Academy in Tamworth.
- Both phases will have new, bespoke buildings delivered through the Partnerships for Schools framework and are due for completion in the summer of 2011.
- The Academy's specialisms are Science and Business & Enterprise.
- We would like to make both appointments in January 2010 to enable the Principals Designate to take up appointment in May 2010 to prepare for opening of the 11-16 Centre in September 2010 and the Post-16 Centre in September 2011.
- In delivering the vision for the Academy you will be instrumental in actively promoting a 'can do' attitude, raising the aspirations of our students and leading by example in setting high standards and expectations for everyone.

About You

- You will already be an experienced senior leader with a strong track record of success.
- Your understanding of school improvement and effectiveness will be matched by your ability to manage change and motivate staff and students in the achievement of clear and aspirational goals.
- Above all, you will be a strong advocate of creative thinking with a pragmatic approach to delivery.
